Connected to nature

Set on beautifully landscaped grounds, we are a gateway to the Bashaw Nature Walk. You'll see a wide variety of bird species, deer and other wildlife. There's a stocked fishing pond for kids of all ages to enjoy within walking distance. Just 15 minutes away by car, you can enjoy boating, swimming, and fishing at Buffalo Lake, one of Alberta's larger lakes. Discover medicine wheels and experience one of four designated positive vortex sites in the province.
